

Texas Fire Sprinkler Contractors Association,

I am extremely grateful to be announced the 2009 Scholarship recipient. This scholarship will help to address many of the financial concerns that I am currently facing. It will allow me to concentrate more on studying fire protection by reducing the hours I put in at work. I would also like to say that it is truly a testament to your association's character to offer such an award. This, one example, makes it obvious that you are steadfast in your commitment to the advancement of the science of fire protection and prevention. Thank you for the opportunity to apply for such an award and bestowing upon me the honor of receiving it.

Sincerely,
